FLAIR SYRUPS PRESENT the innovating concentrated tea syrups in 11 exciting flavours.

FLAIR TEA SYRUPS ARE the innovating tea beverage solution for bars, cafes or even for home usage.

FLAIR TEA SYRUPS CONTAIN tea extracts, fruit juices, natural flavours and no artificial colourings.

FLAIR TEA LIGHT SYRUPS ARE unique because they are super-concentrated with dilution rate 1/25 v/v (16ml to prepare a 400ml tea glass).

FLAIR TEA LIGHT SYRUPS GIVE low glycemic index and low-calorie beverages as they are sweetened with stevia and fructose.

FLAIR TEA SYRUPS ARE FILLED in elegant 1lt bottles that can be placed on the top of the bar and come with the appropriate pump dispenser (8ml).

Unique Features

ECONOMIC One bottle of 1Lt of syrup yields 25Lt RTD i.e. more than 62 glasses of 400ml.

CONVENIENT Just pump two dosages in a large glass (400ml), add ice and water, stir slightly and your tea beverage is instantly ready. Decorate with a lemon slice or mint leaves.

VERSATILE Can be prepared either hot or cold or even sparkling!!!

HEALTHY Low Glycemic Index & Low calories (min. 50% less than usual sugar teas) beverages, with natural tea extracts, natural flavours and fruit juices and no artificial colours.

GREAT TASTE Real fresh brew tea taste combined with exciting fruit juices and flavours.
